### **2008 Sawyer Cellars Estate Sauvignon Blanc**

Reflecting the soils of their estate vineyard in Rutherford, the 2008 Sauvignon Blanc displays layered aromas of honeysuckle, melon and nectarine on the nose. In the glass you'll enjoy flavors of lemon, lime and toasted almond, followed by a clean, mineral finish. A lively and full bodied Sauvignon Blanc that will pair well with your favorite dishes.

### **2009 Tarima Monastrell**

This is the premier vintage of a vibrant and fresh Monstrell from Jumilla, where it thrives in the high altitude, Mediterranean climate. Aging in 100% stainless steel with stirring of the lees helps attain the maximum from this variety. A wonderful dark and robust wine that carries its weight very well, this epitomizes the tremendous value that Spain can deliver.
